AUSTRALIAN PARTY**

**KATTER'S  
AUSTRALIAN PARTY**

## **Key Changes with Ethanol Mandate:**

- Ethanol presents a **huge opportunity** for the Queensland economy. **Global demand for biofuels is increasing** and local consumers are seeing the benefits of lower priced ethanol blended fuels.
- KAP wants to **increase the ethanol mandate from 4% to 10% by 2025.**
- This will provide great opportunities for producers and local manufacturers and processors, as well as increasing demand for **agricultural products.**
